ABOUT ME

I'm Mostafa.
Backend and Frontend Developer with over 7 years of experience.
My expertise lies in PHP, Nodejs, Vuejs, and Reactjs, along with frameworks like Laravel, Lumen, Nestjs, Nuxtjs, and Nextjs.
I have a background in microservices, Kafka, Socket programming, turborepo, caching, and queues.
Throughout my career, I have successfully delivered robust and scalable solutions, ensuring optimal performance and user satisfaction.
